THE END

HOPE YOU HAVE GOOD TIMES

WITH THIS BOOK

1973 began with the hope that World Peace would be achieved with the signing of the Treaty ending the war in Vietnam. Canada had agreed to participate as a member of the United National Supervisory Control Commission, but by mid-summer the last Canadian soldier had left Vietnam because of the inability to prevent the outbreak of local skirmishes between the two sides. While the possibility of a lasting peace in Vietnam is rather tenuous, at least the two major countries, the United States and China, have withdrawn from the scene.

In October the short vicious Yom Kippur War was fought following the sudden invasion of Egyptian and Syrian armies into Israeli territory. The fighting was quickly terminated by the intervention of the United States and the Soviet Union bringing Israel and the Arab

lowing the sudden invasion of Egyptian and Syrian armies into Israeli territory. The fighting was quickly terminated by the intervention of the United States and the Soviet Union bringing Israel and the Arab countries to the "negotiating table". As a bargaining weapon the Arab countries, after forming an alliance, restricted petroleum supplies to world markets. This action precipitated an oil crisis in a few short weeks that is now threatening the economy of Western Europe, North America and Japan. This strategy of the Arabs is proving to be a very effective weapon to obtain a favourable settlement following the recent war.

war.

The oil crisis not only reminds us that the supply of world resources is finite, but that the world is, in fact, a "global village", where in countries are interdependent on one another for their well-being. The integrity of all countries must be recognized to permit their peoples to have a reasonable opportunity to achieve 'the good life'.

Many challenges have to be met in 1974 to bring about a return to political stability in the world. Challenge is the essence of living, for it forces us to seek a solution.

Despite the few hang-ups we all encountered, it turned out to be a pretty good year anyway. Thanks to all who helped make it that way. From all of us - good luck!

EVENTS

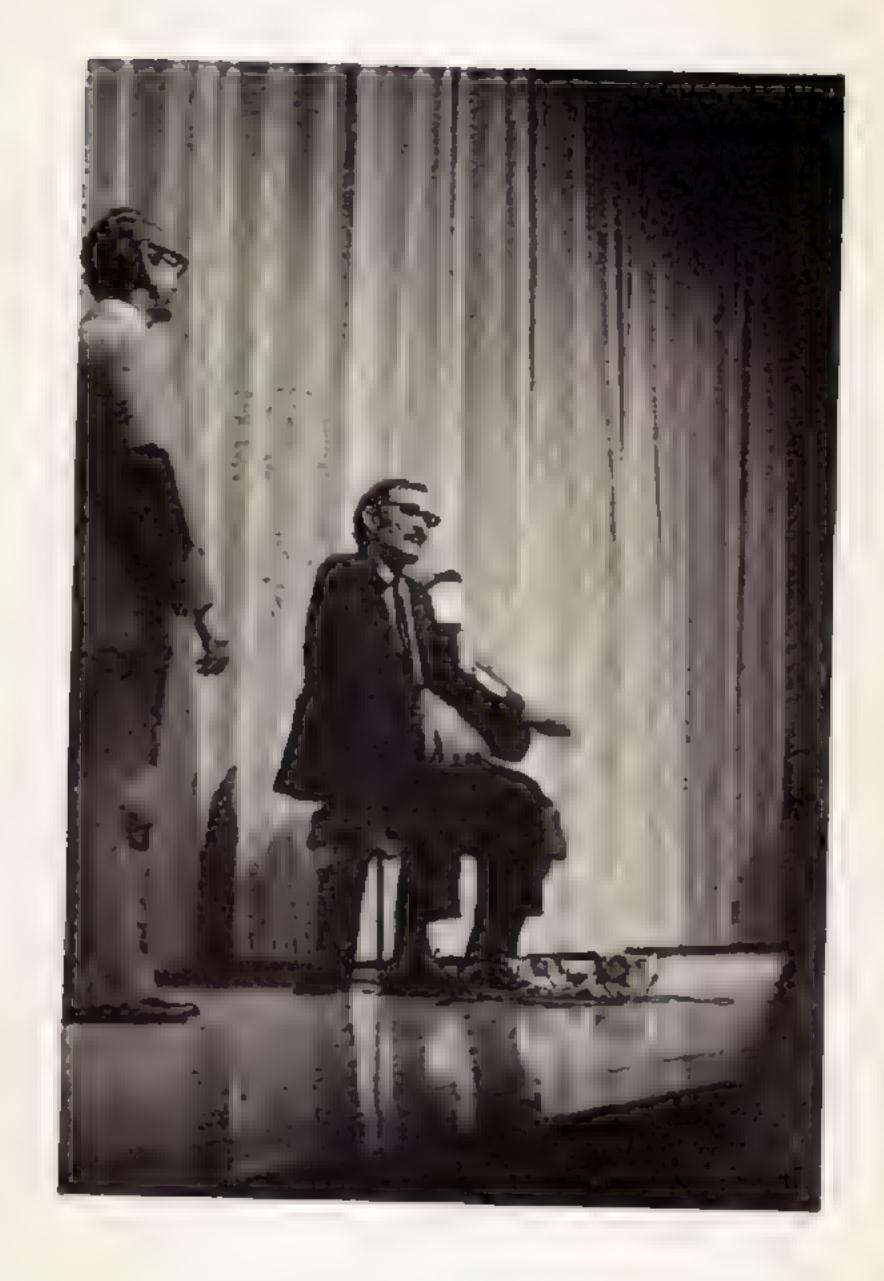

VARIETY SHOW

As a part of Weston's United Way campaign, we once again held our annual Variety Show. Entertainment was provided by dancers, singers, musicians and various skits all done by the students of W.C.I. It was a very successful night leaving us with \$268 as part of our contribution towards the United Way Fund.

OUTDOOR EDUCATION DAY

Once again, Weston students were out in the streets selling chocolate bars to finance Outdoor Education Day. Like last year, our goal was reached and the day before second semester started, the staff and students left the school for parts unknown.

The day started with a delicious, half-cooked pancake breakfast specially prepared for the students by our own Martill, assisted
by Mr. Crepp and Mr. Brien. The first group of skiers was straggled
out to their buses, and were soon off to Mt. St. Louis. Skiing was
well worthwhile, topped off by excellent snow conditions. A few
people were stuck waiting in line for equipment for past of the day,
but the majority of people had a great time. Half the poss-country
group toured the Formosa Breweries before donning their skis. Unfortunately, there were no free samples.

The orienteering group started off with archery and steet shooting at Cold Creek. After lunch the group set out armed with compasses and maps. The teachers issued a challenge to the students: a race against the clock. It was soundly answered by the team of Mary Ann Bloomfield, Brian Magee, Brian MacLean and Larry Atherly who beat the teachers back. A challenge issued to the teachers by the students was unanswered. The most popular event was bowling, followed by ice and roller skating at the Terrace afterwards.

The day ended with a free dance, with music supplied by Abernathy Shagnaster. Despite a few minor setbacks everyone had a good time and we hope this event is repeated next year.

STE. MARIE AMONG THE HURONS

Through many hours of hard work and planning by Mr. Nelson and Miss DeSouza, about twenty-five of Weston's grade 9 and 13 history students had the opportunity to live in "Ste. Marie among the Hurons."

This Jesuit mission was originally built in Midland in 1639 then burnt to the ground 10 years later because of a war between the Hurons and the Iroquois. It was recently reconstructed in 1964.

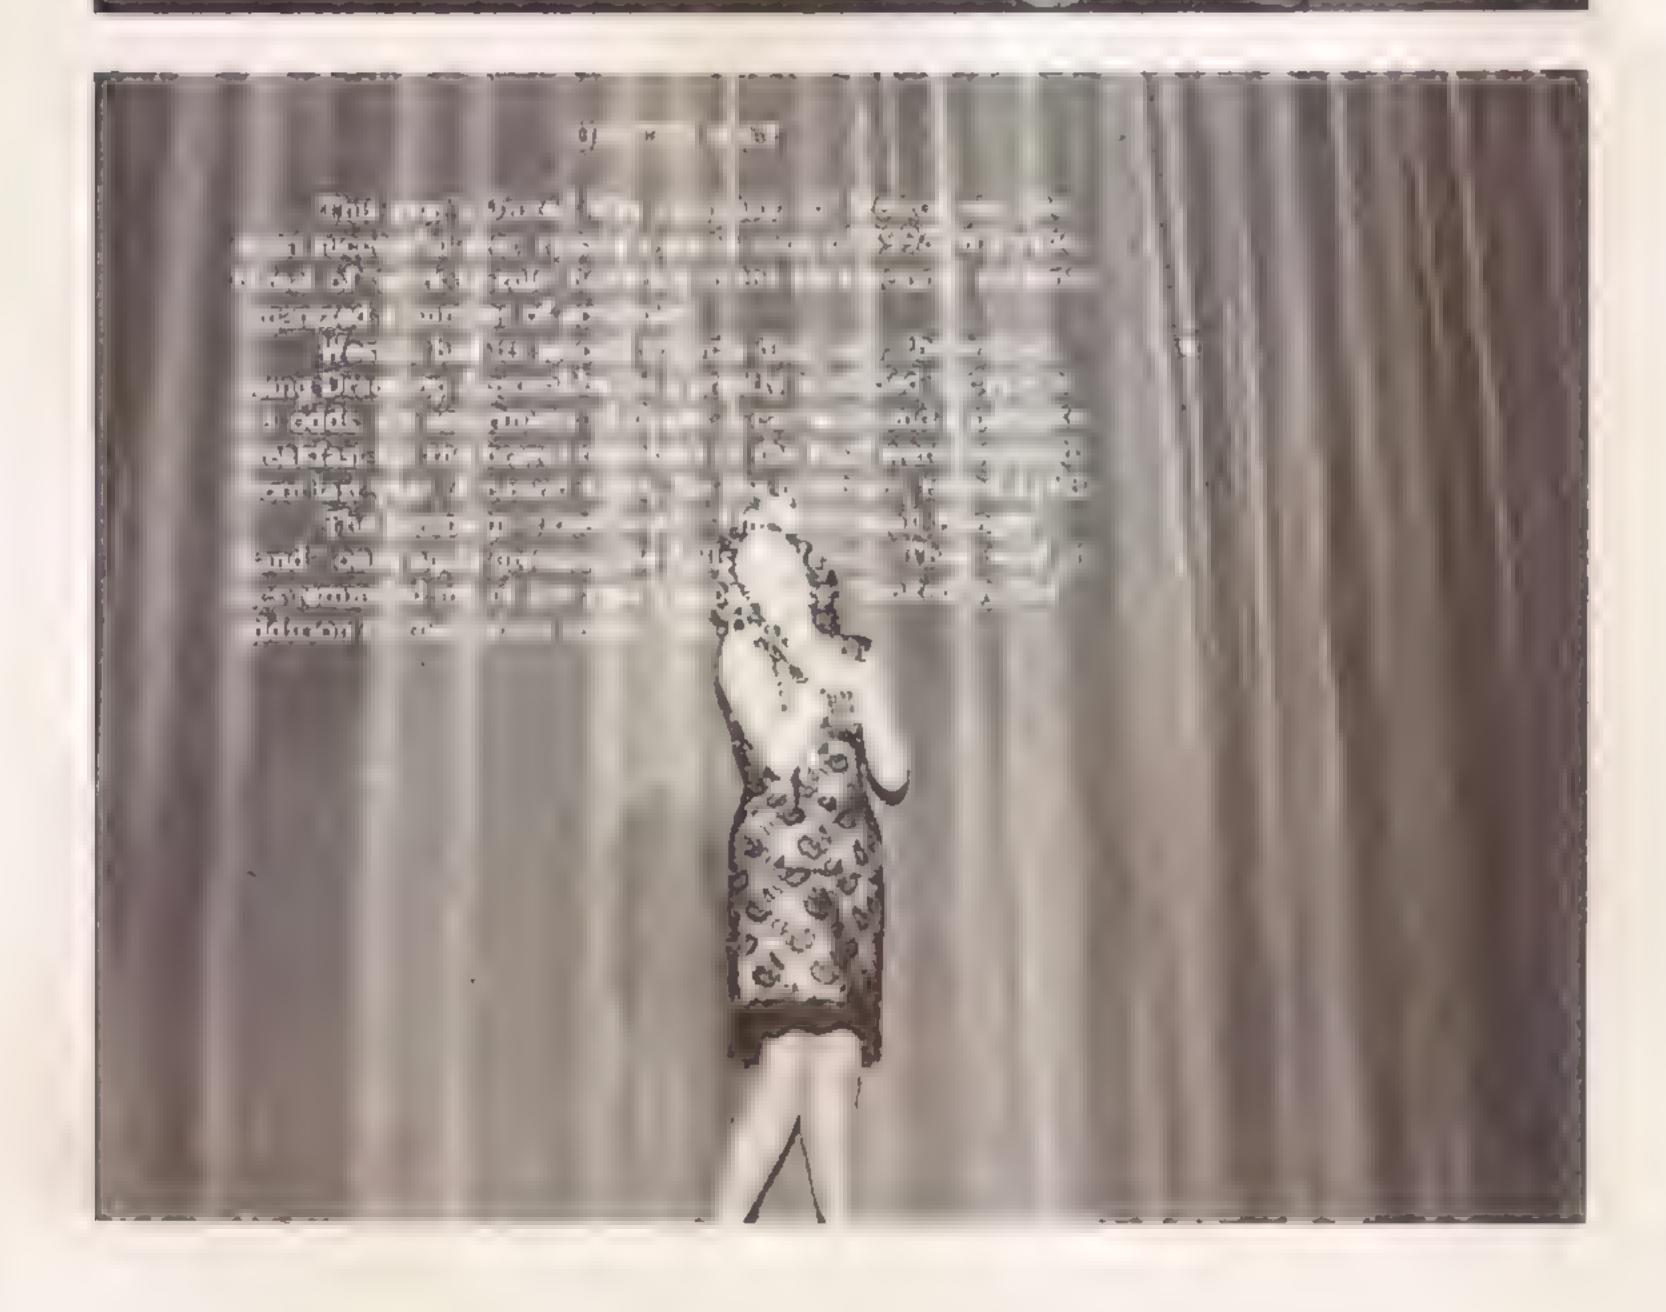

The students fully experienced the rigours and hardships of a cold Canadian winter.

They lived in large log houses heated only by a fireplace, while outside there was an abundance of snow where the temperature dropped below zero during the night and rose only slightly during the day. Everyone partook in many activities such as snowshoeing to Wye Marsh, pottery, carpentry and preparing their own meals.

On the first day, the cooks had trouble adjusting to the open fire and consequent the sine progressed, the meals became better. They dined on such delicacies as home and had now an! French Canadian tortieres. Father McGivern, a very knowledgeable became prost provided in depth answers to the questions asked by the students on every thing from the origin of names to exorcism!

All in all, through cold feet, pranks, and snow fights, it was a very successful and

SPORTS

Regardless of the Work-to-Rule movement by the teachers this year, Weston students continued the sports curriculum with much success

HOCKEY

The Weston hockey team was one of the best teams Weston has had for a long time. With strong and constant offense working, and a defense which stayed on its toes through the games, a goalie who almost seemed to have x-ray eyes to catch those hard-hitting shots, it was no wonder Weston stayed on top and was able to capture the NUMBER 1 title!

The final game seemed to have the most excitement and tension from both schools. Danny Walker led the team to the only goal early in the first period. With the team pulling as a whole, it is true to say that Weston certainly deserved the winning title.

LEADING SCORES FOR WESTON: (Top Three)

Danny Walker 17 goals 14 assists 31 points
Phil Shute 12 goals 8 assists 20 points
Dave Brennan 11 goals 9 assists 20 points
VETERANS LEAVING:

Bruce Bennett: Bruce has added muscle and finesse to

the defence. He will be missed by the team. Good luck to Bruce in the future.

Jan Nielson: Jan was a new member for the team

this year. His type of play is that of the old Weston team. Jan used his weight to his advantage and to the disadvan-

tage of the opposition!

Craig Stewart: Craig has played for the team in pre-

vious years and this year played a very rough style of hockey. He acted as the

policeman of the team.

Bill Duncan: Bill played for the team last year as a

defenseman. This year Bill moved up to the forward line and did a great job.

Danny Walker: Danny has led the team to the finals

for the past three years. He has always

been a contender for the scoring

leadership of the division.

Phil Shute: Phil is loved by the fans and deserves the applause he gets. Phil is a tough

player in those corners, where it is

most needed.

SWIMMING

The "work-to-rule" forced the team to begin practicing this year without a coach. What a way to begin a quest for a York Championship they were to win four months later! The responsibility for putting together the team fell squarely on the shoulders of the captain, Larry Lapoints.

The "work-to-rule" ended just as Weston hosted last year's champions, U.T.S., in the first meet of the year, where Weston edged them out 122 to 120. The Weston team then swam victories over M.M. Robinson and Lord Elgin C.I. Larry had done a fine job and things began to look very well. On December 19, Weston held their annual intersquad meet where the White team won for the third consecutive year, 97 to 62.

January began by beating U.T.S. again; this time by a score of 203 to 195. Our Weston team then handled Vaughan Road easily, but lost by three points to York Memorial, 100 to 97. Defeating Malvern C.I. at their athletic night, Weston then rounded out the month of January by victories over George Harvey and Runnymede.

The boys' team began February by forming two all-star teams, one of which competed here in Toronto in a relay meet setting five school records in seven events, and the second, travelling to Waterloo where D. Snider and W. Beech set themselves apart in record performances.

The team then held a Swim-a-thon and collected \$710.44 which was used to purchase new and better lane markers. With team spirit at a new high, Weston won the York Championship on February 14. It was a fine going-away present for the nine graduating senior swimmers. The star of the meet was B. Brockbank who set school records in all three of his events, and along with eleven others, qualified for the Toronto Championships.

At the T.D.I.A.A. meet, our boys swam better than expected and placed fourth in Toronto! The Medley Relay Team (W. Beech, B. Ryder, T. Steenson and P. Presidente) placed third, while Larry Lapointe came second in the 100 Breast. Using these boys as the nucleus, a team competed in the Ontario Champion-ships at Laurier C.I.

At the O.F.S.A.A. meet, Larry Lapointe demonstrated his swimming excellence by placing fifth in the province in the 100 Breast, and became the natural choice for our Swimmer of the Year sward!

The Girls' Swim Team won the York Championships once again this year. That was one of the two outstanding features of the season this year; the second being the length of the season. On September 11, 1973, our girls began training nine times a week, expecting to be all through by Christmas. Unfortunately, "work-to-rule" postponed the district meets so that they were not held until February 18, 1974, when our girls could successfully defend their York title. Keeping their chins up as best they could, the girls trained straight through for six months.

Our dual meets began on October 19, with an easy victory over Emery C.I.; 183 to 103. As the "work-to-rule" began to wear on, the girls lost by twelve points to York Memorial, and then by nine points to U.T.S. Things didn't look well, and seven girls dropped out.

The girls who were left took a look at their priorities, did some soul searching, and went the remaining three months without a loss. They began their comeback, defeating M.M. Robinson and Lord Elgin in Burlington, and then by gaining sweet revenge on U.T.S. by beating them 58 to 45. The Weston girls then crushed Runnymede at home, travelled to Malvern C.I. for their athletic night, and beat them. January was rounded out by swimming victories over Vaughan Road and George Harvey.

On February 9, our girls travelled to Waterloo University for the High School Invitational where they set four school records in six events. The girls were really peaking now, and on February 18, won the York Championship for the second consecutive year. Stars of the meet were Kathy Willoughby, Debbie McLean, Teresa Niccolls, and Maryann Rippington and Sheryl Fossett, who set two York League records. These girls, along with five others then formed a team which competed in the Ontario Championships at Castle Frank C.I.

At the O.F.S.A.A. meet, the girls swam exceptionally well and four of our girls placed in the top twelve in the province. Maryann Rippington placed tenth in the 100 Backstroke, and Sheryl Fossett placed ninth in the 100 Freestyle, and fifth in the 50 Freestyle. Sheryl was selected as outstanding swimmer of the year!

The girls' swim team would like to thank the students of Weston for their support this year, and particularly, Cathie Ashbourne for her unselfish dedication throughout the six months.

FOOTBALL

This year, because of work-to-rule, the Junior Football Players were unable to develop into a strong working team. They were limited to only five games of which they won two. Although Mr. Nadin and Mr. Both could not offer much of their time to the players, their team for next year shows great promise.

The senior football team had another fine season this year. Our Weston Ironmen never looked stronger in an overall fashion. Going through the season without losing a game, the Ironmen pulverized anyone who stood in front of them. The Ironmen were strong due to their high spirits which made them the team to beat. Their will was never broken as they fought for win after win. The football team had good support from the school and the

students and perhaps this support is what kept the Ironmen going through work-to-rule. Weston wound up tied for first place with East York and for a moment it seemed as if it was time for Weston to finally win the championship which has eluded them for so many years. It was not to be though, as poor weather and a strong East York squad combined to send the Ironmen down to defeat.

Some of the players who are hanging up their cleats for good are: Rick Bince, Bruce Scott, Ted Schade, Tom Steenson, Jan Neilson, Danny Walker, Andy Vince, Bruce Bennet, Bruce Cole, Doug Broadfoot, Tony Foscarin and Dave Guidolin.

BASKETBALL

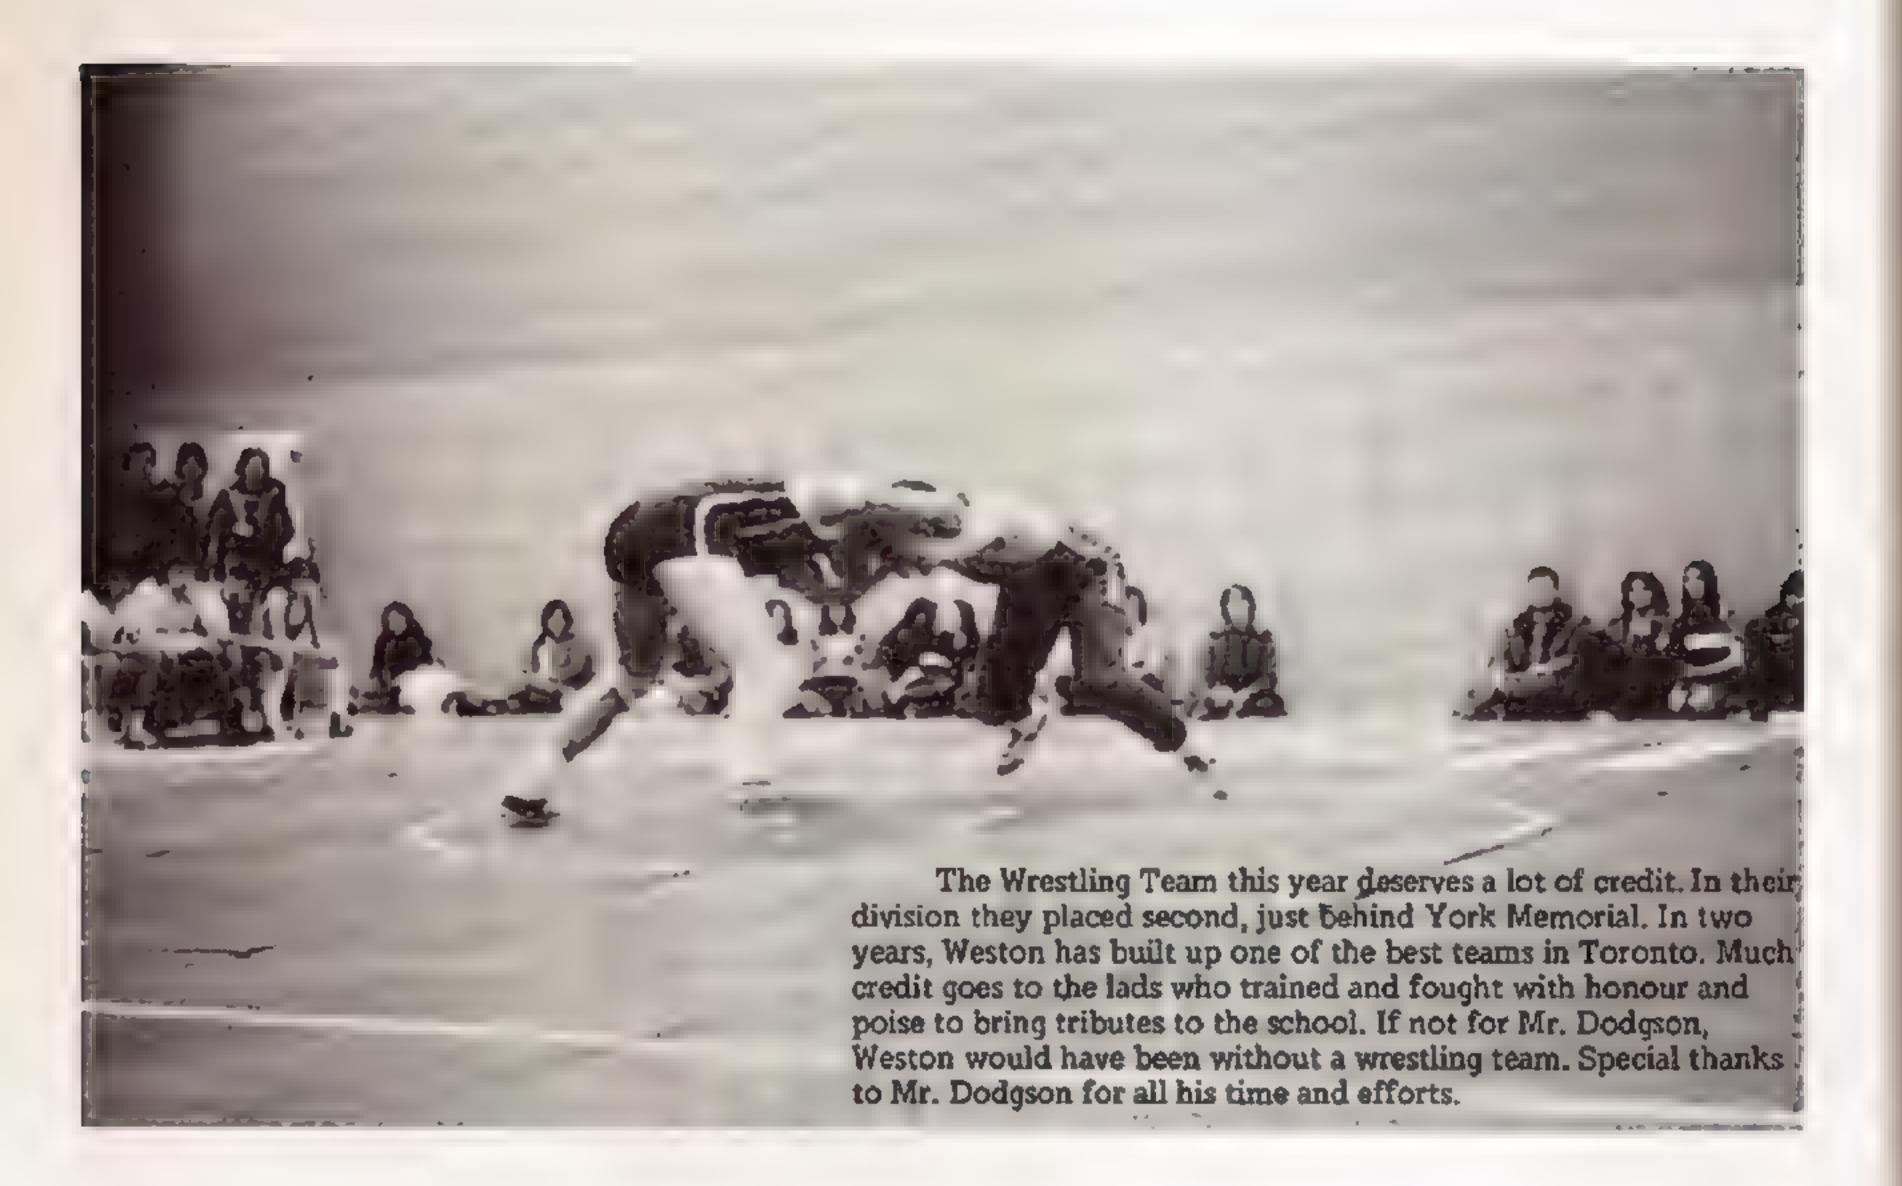

The Senior Ironmen had one of their better seasons this year. After losing their first four games, the Ironmen finished their season with a 4-6 won-lost record.

John Popofski and Gary Hutchison led the team game after game in scoring, while Andrew McCarthy and Danny Mior played consistently strong defensive games and showed great improvement over the year. Jim Popofski, a former student and team member, took over as head coach during the teacher work-to-rule.

With most players returning next year, Weston could have its first title contender in years.

The Weston Sr. Basketball team would like to thank Jim Popofski for his invaluable team coaching through the season, our General Manager Jim Cunningham and our "owner" and Staff Supervisor Mr. Clark. A special thanks goes to all the fans who helped in cheering for Weston's Ironmen during their exciting games.

WRESTLING

SOCCER

Right from the start the nimble-legged and slightfooted Soccer Team of Weston has been a top contender in the fight for the York Championships. The coach, Mr. Wright, an avid soccer player himself, has built up a team worthy of praise and support from the Weston students.

They placed second in a field of nine schools with a record of 5 wins, 2 ties and 1 loss. Weston defeated Leaside 3-1 in a play-off semifinal, but, unfortunately lost in the finals to Vaughan Road.

Among the outstanding players were Ivan "The Trojan" Samuels, Ron Fillipelli, a prolific goal scorer, and Tony "Zero" Avola. These fine players will be missed this year.

Volleyball

In the finals, Weston upset East York and Runnymede, which proved to be exciting matches.

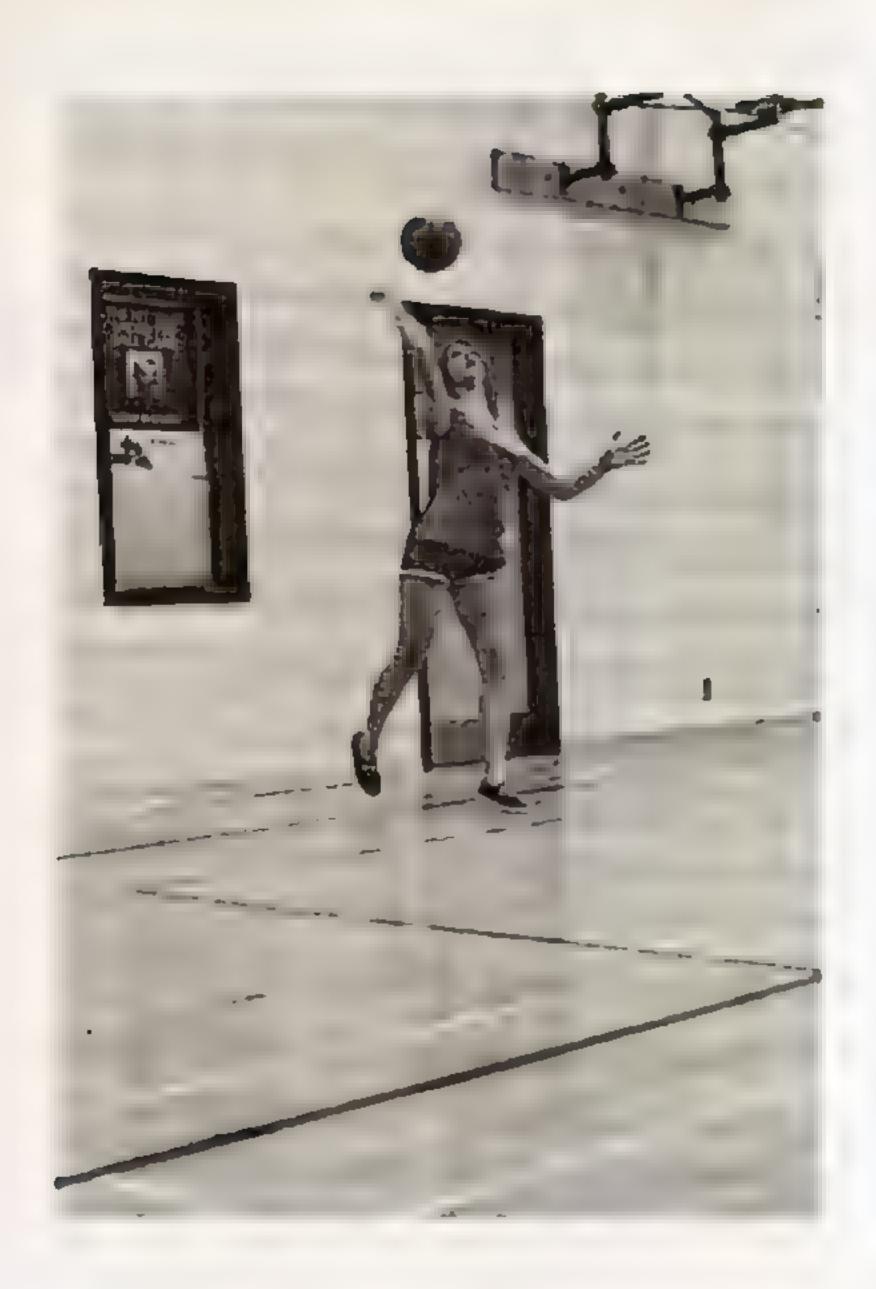

The team captain, Mary Bayes, showed great talent and team leadership on and off the court.

Special thanks to the coaches, Sue Avarell and Sharon Dras and our scorekeeper Kathy Willoughby.

CONGRATULATIONS GIRLS.

This year the Weston Senior Volleyball Team was solidly grouped with the other contenders in having 4 wins and 4 losses, the only exception being the champions of East York. Unfortunately, when all the ties were broken, Weston ended up in 5th place and was squeezed out of the play-offs.

The 73-74 season was a great one for our senior team. With a record of 6 wins and two losses they advanced to the play-offs and resultingly ended up against our old rivals from East York fighting for the champion-ship. The final score was 41-37 for East York.

It was a good season, and, well — maybe next year! We had a great team with the Wonder Wardropes, Spike Wendorf, Rip, Spider Seckington, the Big "Z", guards Ann and Chris, Darling Dobis and Janet "sometimes Hill".

In spite of work-to-rule our games continued with the co-operation of everyone involved.

HERE AND THERE

Walking down the long lonely road Heading for a direction,
That is to me yet still unknown,
I've learnt all roads lead to nowhere.

Yet they lead to everywhere,
For everywhere is nowhere,
And nowhere is everywhere,
And it is neither here nor there.

It does not matter where you go,
It does not matter what you do,
For the people still remain the same,
And you are definitely you.

FAREWELL

While there were roses in the air, And diamonds in the sky, While linnets sang without a care, We said one last goodbye.

As crimson seeped into the night, And woke the dream-eyed dove, I was taken from your sight, And from that world I loved.

Like the flame that turned to smoke, I too did fade away, And all you found when you awoke, Was a silver dew-eyed day.

When there is the anguish of an absent sun,
a creeping coldness of uncertainty,
wallowing heaviness,
the nausea of a slow drowning,
the strangulation of internal tissue,
the pain of utter helplessness;
A burning eternity.

There is Inner Death.

LIGHT

Light
travels forever,
from star to star,
war to war,
peace to peace,
love to love,
hope to hope,
and, in the end
dies.

that instant,
wars start,
peace dies,
love loses,
hope peters out

Within that same instant, a new star is born. Light bounces again from star to star planet to planet peace to peace love to love and hope - lives.

THE MAGIC OF INVING

The magic of living,
Is to dream a dream,
To seek to fulfill it,
To find it; and yearn
To live it to the end.

The magic of living,
Is to lose it with pain,
To remember it through tears,
To sleep; and then
To dream again...

Watch the energy-filled bodies
Flow from one abstract position to another.
In tranquil darkness these bodies generate
To form imaginary doubles of liquid flowing white,
Vibrating from points in space to points unknown
These white ghosts manipulate with freedom and calm,
As if God had produced them for His own enjoyment.

A DANCER IN DISGUISE

As the tiny leaf alighted from its home, Swaying back and forth, It went toward the ground. Its elegance and grace Gave it a type of rhythm. Coming down softly, As some Spring rains do, It suddenly began to fall like a dart As it was swept up by the wind. Down it came till it hit the ground And joined its friends once more.

TUMBLING LEAVES

Fall has arrived once again.
I sit near my window
Watching the leaves tumble down
In all their glory.

Watching the small children Scuffing their tiny feet, Frolicking as the wind blows Them from place to place.

I think back to the days
When I was young and free,
Regretting that with age
There is no place for
Tumbling leaves.

Debbie Hurst

Just new mumbles and groans.

I miss the premature basketball games, And the chalk brushes that flew from the windows; Also the black steel railing I'd sit on When I had nowhere to go.

They don't often play cards here, Or bury lizards in the sand, Paint other schools' goal posts And throw the minors into the garbage cans.

I even miss the old classrooms, And the old wooden doors. It just isn't the same Walking on a different floor.

Victor Omeljanenko

A STRANGER

It's a dark day, a windy city
I've got a raincoat on my shoulder.
I asked someone to show me where to go
because I'm a stranger.

Traffic lights, dusty sidewalks,
People on the freeway, on the move.
I'm a stranger.
Nobody knows my face or
Knows my name,
Nobody knows where I'm going or
How I came.

I'm lost,
All alone, with a million other people,
Nobody helping me or
Talking to me,
Or even showing me where to go.
I don't know why
Because I'm only a proper stranger.

Graziano Cattaruzza

TO BE BLIND

This world around me

dark,

and silent.

A sea of humanity,

each wave as unimaginative

as the one that came before.

An endless group of statues,

impassive,

and cold.

No sound penetrating from still-born lips.

Their eyes

frozen in nothingness, except for a furtive gleam like that of a

caged animal.

Their faces

identical,

and blank.

Do I have to be blind to feel the warmth of the sun?

to whisper with the breeze?
to float in a dream?

Did I have to come this far to gaze upon the stars?

Jennifer Pinto

THOUGHTS OF NIGHT WALKS

To the dreamer reality is a dream,
To the pessimist good things can be bad,
To the optimist bad things turn good, or so seem,
In this world of contradictions you may be sad or glad.

So live this life as best you can,
Try to love it and understand,
That someone somewhere will lend a hand,
For there is some good in every man.

ROSA TERSIGNI

People call me different names all the time. I turn around

to anything.

There are many things that I like. Some things are: the beach, going to the movies, dancing, and most of all, certain warm-loving arms. There are also things that turn me off. For example, wet toilet seats, being tickled and others.

As for the future, I would very much like to attend the

Prom with Mr. Right.

I hope to someday get married and travel around the world. When in Europe, I hope to meet my "brother".

Extracurricular Activities: Who could forget the activities going on in the school? Just to mention a few, Outdoor Education Day. Did we ever think a day like this would come, and how about those football games? We never have won a championship over the years I've been here, but one thing for sure, Weston always won the fight at the final game whether with fists or snow. In Closing: Weston will never be the same without me, but I know the future can only be better in my course in Physical Education at York University.

ARLENE KHAN

LINA DICARLO

I dislike high telephones, small washroom doors, high mirrors and I detest people who tell me to get a motorized wheelchair or snow tires. I don't need snow tires! I like K.F., people who bend down to talk to me and amps. My ambition is to educate the world regarding the handicapped and to improve the conditions in Toronto for them.

RICK FISHER

This is not primarily the place where we have

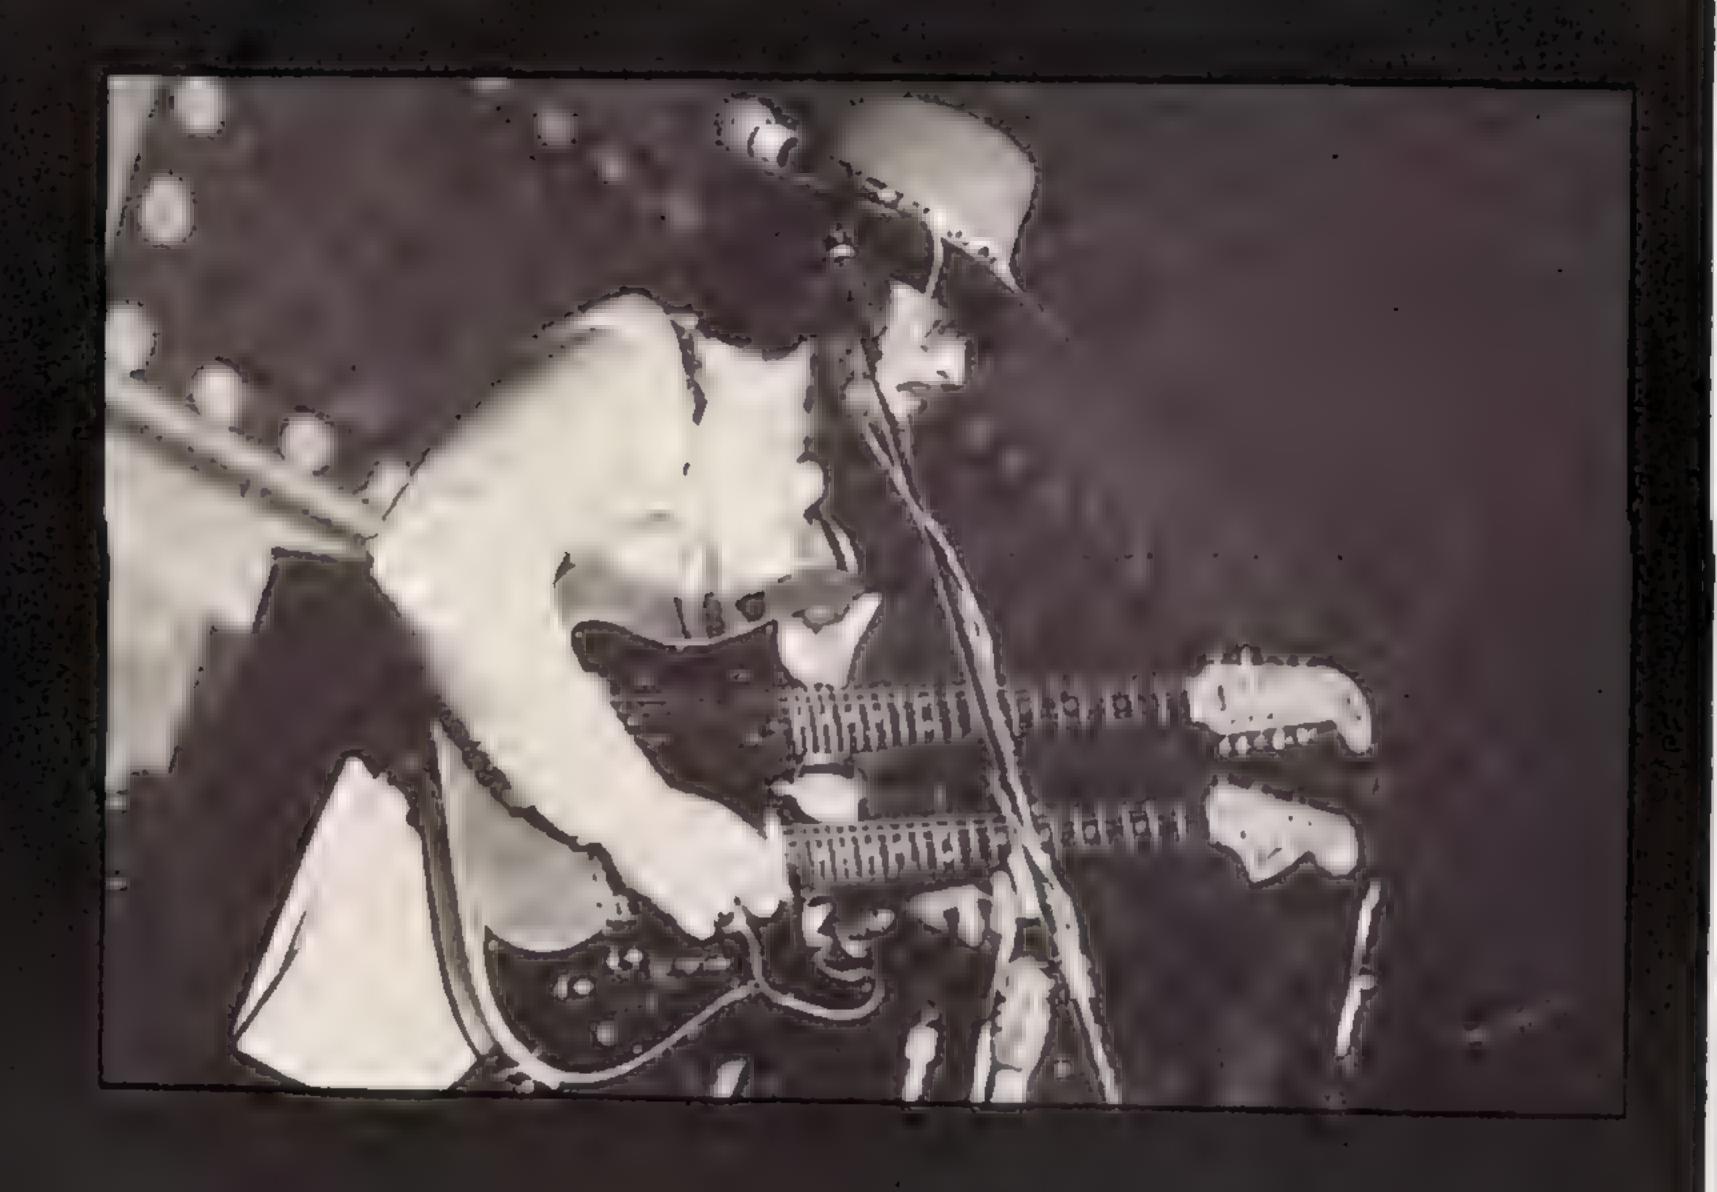

to be, it is the place where we are.

This is not our prison but our home. It is the road we must walk and the walking of it is called life.

Because we will walk it only once, then how important it is that we should walk it with some purpose that we can call our own.

Well

ou're 21 and your mother still makes your bed.

And that's too long.

from "Captain Jack" by Billy Joel
